

Dimitry Palceski, D.O., F.A.O.C.D.

Reflections Dermatology and Center for Skin Care

EDUCATION/TRAINING: Medical School—Midwestern University. Dermatology Residency—Northeastern Ohio University. Additional Dermatologic Surgery Training—UCSD. **PROFESSIONAL AFFILIATIONS:** American Society for Dermatologic Surgery. American Academy of Dermatology. American Osteopathic College of Dermatology. American Society for MOHS Surgery. Clinical Instructor—Nova, UCF, LECOM. On staff at Florida Hospital, Orlando Regional Medical Center. **REFLECTIONS DERMATOLOGY—A PATIENT PRACTICE:** Dr. Palceski is a board-certified dermatologist and dermatologic surgeon specializing in medical, surgical, pediatric and cosmetic dermatology. His state-of-the-art office, Reflections Dermatology, located in upscale Baldwin Park, is truly a one-stop shop for skin care for the entire family. Be it a baby with eczema, a teenager with acne, a mom with sun damage, or a grandparent with skin cancer, Dr. Palceski's approach is tailored to meet the needs of each patient - promoting generations of healthy skin. **WHY I BECAME A DERMATOLOGIST:** I'm fascinated by the complexities of the skin and enjoy both the medical and cosmetic nature of the specialty. **FAVORITE PART OF THE JOB:** Helping people look and feel their best. **BEDSIDE MANNER:** Caring and attentive. **ANTI-AGING ADVICE:** Use sunblock and a retinoid every day. **I'M**

NEVER WITHOUT MY: Sense of humor. **HOBBIES:** Traveling and great food. **FAVORITE QUOTE:** "Work is love made visible" - Khalil Gibran. **MAKING A DIFFERENCE:** Dr. Palceski is dedicated to preventing skin cancer and frequently volunteers with a variety of organizations including Aveeno's Road To Health Skin Tour. He reminds us that skin cancer is beatable and treatable with early detection and encourages all Central Floridians to get a skin exam every year. **ENTRUST THE LIFE OF YOUR SKIN TO AN EXPERT:** Dr. Palceski is recognized as an expert in the field of injectables such as Botox and fillers and is part of the National Expert Injector Program, which is committed to patient safety, public awareness and the pursuit of reliable consumer education to help patients seeking injectable procedures find appropriately trained, well-credentialed providers in the specialties of dermatology and plastic surgery.
